

RESOLUTION NO. 2024-062

A Resolution of the Board of County Commissioners of Boulder County certifying ballot titles to the November 5, 2024 general election ballot.

A. The Board has adopted Resolution No. 2024-056, describing a citizen petition to form a public improvement district pursuant to C.R.S. § 30-20-501 *et seq.*, (the County Public Improvement District Act of 1968):

A Resolution of the Board of County Commissioners of Boulder County describing a proposal to authorize the formation of the Eldorado Springs Public Improvement District and other related matters.

B. The Board has also adopted Resolution No. 2024-058, describing a citizen petition to form a public improvement district pursuant to C.R.S. § 30-20-501 *et seq.*, (the County Public Improvement District Act of 1968):

A Resolution of the Board of County Commissioners of Boulder County describing a proposal to authorize the formation of the Homestead Public Improvement District of Boulder County; impose a mill levy within the District to pay the costs of resurfacing county roads within the District; authorize the District to enter a no-interest multiple-fiscal year obligation to the County; authorize a voter approved revenue change; and other matters related thereto and approving a ballot title for the November 5, 2024 general election based on a petition pursuant to C.R.S. 30-20-505 to form the Homestead Public Improvement District of Boulder County and impose an ad valorem tax on properties within the District to fund proposed services.

C. Based on the citizen petition supporting the formation of the Eldorado Springs Public Improvement District under C.R.S. § 30-20-505, the Board considered and adopted an appropriate ballot measure for that petitioned formation in Resolution No. 2024-056.

D. Based on the citizen petition supporting the formation of the Homestead Public Improvement District of Boulder County and for the District to impose an ad valorem property tax, enter into a multiple fiscal year indebtedness, and authorizing a voter approved revenue change, the Board considered and adopted an appropriate ballot title for that petitioned formation in Resolution No. 2024-058.

E. Through this Resolution, the Board desires to certify the ballot measures and titles to the County Clerk for publication of the ballot titles on the ballots for the voters for the November 5, 2024 general election, on or before September 6, 2024.

F. The Board desires to certify the order of the ballot titles as they will appear on the general election ballot.

G. The order in which the titles for all county referred measures are to appear on the general election ballot is established by the requirements of Article X, § 20 of the Colorado Constitution and Colorado Secretary of State Election Rule 4.5.2, 8 C.C.R. 1505-1, which requires that titles have the following order of preference: referred measures to increase taxes; referred measures to retain excess revenues; referred measure to increase debt; other referred measures; initiatives to increase taxes; and requires that ballot issues from the various political subdivisions must be ordered on the ballot as provided in section 1-5-407(5), C.R.S..

Therefore, the Board resolves:

1. The petitioned-for formation of the Eldorado Springs Public Improvement District ballot measure, complete with submission clause and numbering to form the Eldorado Springs Public Improvement District pursuant to C.R.S. § 30-20-508(4)(a), shall be placed upon the November 4, 2024 general election ballot, to appear as set forth in Exhibit A attached hereto.
