AGREEMENT TO CONVEY EASEMENT FOR PROPERTY LINE SETBACK UPON PARTITION OF PROPERTIES

TH	HIS AGRI	EEMI	ENT TO	CONV	EY is e	ntered in	ito 1	by and b	etween		
("Property	Owner")	and	Boulder	County	Public	Health,	a p	oolitical	subdivision	of the	State of
Colorado	("BCPH")										

WHEREAS, Property Owner owns the following described real property located in the County of Boulder, State of Colorado.

Parcel 1: Parcel 2: and

WHEREAS, Property Owner desires to install, maintain, and repair, if and when necessary, an Onsite Wastewater Treatment System (OWTS) within the 10-foot setback on Parcel 1 as depicted on Exhibit A, which will provide for the treatment and disposal of all sewage from Parcel 1 and due to the proximity to property line, may require access to Parcel 2 for maintenance and repairs; and

WHEREAS, BCPH ordinarily requires similarly situated parcels owned by different parties to enter into an "Onsite Wastewater Treatment System Easement and Maintenance Agreement" on the form provided by BCPH as part of an OWTS application, in order to ensure the maintenance and repair of the OWTS in perpetuity ("OWTS Agreement"); and

WHEREAS, the doctrine of merger prevents the Property Owner from entering into such an Agreement at this time.

NOW, THEREFORE, in consideration of the recitals, promises, payments, covenants, and undertakings described above and hereinafter set forth, BCPH and Property Owner agree as follows:

- 1. Property Owner agrees that at the time that ownership of Parcels 1 and 2 are severed, Property Owner will enter into an OWTS Agreement conveying a perpetual easement over Parcel 2 for the benefit of Parcel 1 to maintain and repair, if and when necessary, an OWTS on, over, and across the portion of Parcel 2 upon which the easement is needed.
- 2. If the Property Owner fails to enter into such an OWTS Agreement, BCPH's final approval of the OWTS for Parcel 1 will be considered removed and the permit null and void.
- 3. This Agreement to Convey shall be binding upon the parties, their successors and assigns.
