SUBMISSION INSTRUCTIONS

Reference Number: RFP-147-25

Project Name: Cyber Security Professional Services

Background:

Boulder County's Cyber Security Program safeguards the County's people, services, and infrastructure from cyber-attacks, data breaches, outages, mistakes, compliance failure, and other emerging threats. Boulder County engages an external cyber security professional services vendor to complement our in-house capabilities in support of these activities.

Boulder County is seeking a vendor who to be engaged for security work to support our county-wide cyber security posture. Work may be in support of any County department or elected official's office, pursuant to a task order issued by the County. Each task order will set forth the specific deliverables, timelines, and additional details.
