NOTICE OF POSAC PUBLIC MEETING AND SITE VISIT

Members of the Parks & Open Space Advisory Committee (POSAC) will attend a site visit on April 24 in place of their April meeting. The purpose of the trip is to learn about muddy trails closures and trail maintenance.

Attendees will meet at the Ron Stewart Parks & Open Space building, 5201 St. Vrain Rd., Longmont. There will be a short introduction inside at 6 p.m. Attendees are welcome to bring dinner with them on the tour. At 6:30 p.m., attendees will travel in county vans to one or two sites where staff have done work to reduce muddy conditions to keep trails open. There may be up to a half mile hike to visit some locations. The group will return to the Ron Stewart Parks & Open Space building around 8:30 p.m.

Members of the public wishing to accompany committee members on the site visit will need to register using the [registration link](#) from the events calendar. For questions, please contact Jarret Roberts at jroberts@bouldercounty.gov.

This site visit will not provide an opportunity for formal public comment. The tour is informational only and POSAC will not vote on matters related to this item.
