NOTICE OF POSAC PUBLIC MEETING AND SITE VISIT

Parks & Open Space Advisory Committee (POSAC) members will attend a site visit to the Agricultural Heritage Center and Braly property on a historic preservation tour on June 12, from 5:30-7:30 p.m. This trip will highlight preservation strategy, maintenance, and future plans on several priority historic structures/properties.

Attendees will travel in vans to the second location, leaving from the Agricultural Heritage Center, 8348 Ute Hwy, Longmont. Members of the public are also welcome to follow along in their own vehicles. The tour will take approximately 2 hours. Space is limited. Members of the public wishing to accompany committee members on the site visit will need to register using the [registration link](#) from the events calendar. Attendees should be prepared to walk up to a half mile and are welcome to bring dinner on the tour. For questions, please contact Will Towle at wtowle@bouldercounty.gov or 303-328-8520.

This site visit will not provide an opportunity for formal public comment. This tour is not related to a current decision, but both properties could involve POSAC decisions in the future.
