BOULDER COUNTY ROAD DIRECTORY

ROAD CLASS

A hierarchy of functional classifications categorizes transportation corridors based on their role in connecting and providing access between "origin" and "destination" land uses. Higher functional classifications are devoted primarily to moving larger numbers of people longer distances, while the lower classifications primarily provide access to and serve adjacent land uses. [Boulder County Multimodal Transportation Standards]

PA - Principal Arterial
MA - Minor Arterial
C - Collector
RC - Residential Collector
L - Local
LS - Local (Secondary)
J - Jeep

MAINTENANCE DESCRIPTION

GENERAL MAINTENANCE PRIORITY:

All roads maintained by Boulder County have been accepted for road maintenance by resolution of the Board of County Commissioners. The county assumes full responsibility, pending available resources for maintaining these roads in an open, safe, and serviceable condition for public use. Per longstanding county policy, the county gives first priority to the rehabilitation of the county's arterial and collector transportation corridors. As a secondary priority, the county rehabilitates a limited number of local roads as resources permit.
[Boulder County Multimodal Transportation Standards]

PA, MA	The road will be maintained to provide for continuous access within the maximum capabilities of the county.
C	The road will be maintained to provide continuous access as time, available funds and manpower permit.
L, RC	The road will be maintained to provide reasonable access as time, available funds, and manpower permit.
LS	The road will be maintained to provide reasonable access as time, available funds and manpower permit. Maintenance of these roads may be for seasonal use and winter access may be restricted.
J	The road is not maintained for access by passenger cars. Four wheel drive or high clearance vehicles are recommended on these roads.
¶	The maintenance of the road, identified with a marker (¶), is provided by governmental agencies other than the county or by private entities.
