

Boulder County Employee Transportation Benefits Program

This program, led by Mobility for All, promotes equitable, sustainable, and cost-effective commuting options for all Boulder County employees. By reducing transportation barriers and offering practical incentives, we help staff save money, reduce stress, and support a healthier environment.

Employees are eligible for:

RTD Eco Pass Program

Receive unlimited rides on RTD buses and trains, including service to Denver International Airport. This helps reduce expenses like gas, insurance, tolls and parking. **As of 2024:**

400+ Eco Passes issued

840+ active passes

12,000+ boardings

BCycle Membership

Receive free access to 300+ electric bikes across the city of Boulder. **As of 2024:**

109 memberships activated

864 trips taken

1,700+ miles ridden

“My Eco Pass is perfect for everything—from my daily work commute to weekend adventures. I save money on gas and parking during the week, and on weekends, I use it to explore, catch up with friends, or head to the mountains or airport. It’s convenient and money savings all in one!”

— BoCo Employee

Vanpool Program

Low-cost option for employees without easy access to public transit. Vanpooling creates a cost-effective alternative to driving alone while fostering carpooling relationships among coworkers. **Special program highlights include:**

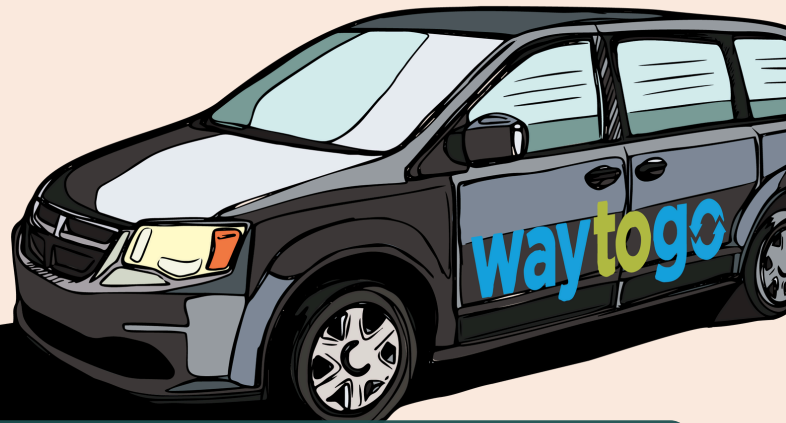

County covers van, gas, and insurance

Employees pay **\$15-\$35** per month via pre-tax payroll deductions

Groups of 3+ employees ride together at **least 3 days a week**

"It is very worth it as you save money on gasoline, wear and tear on your vehicle, it's better for the environment, and you enjoy a peaceful ride home as we take turns driving so you avoid that stress."

— BoCo Employee

Guaranteed Ride Home

RTD reimburses trips home for emergencies or unexpected overtime for employees who bike, walk, carpool or use transit to get to work.
