- ITEM 1. Public Comments.  
The Board of Health provides the opportunity for the public to share their viewpoints and opinion on public health matters. It is not the practice of the BOH or Agency staff, many of whom are top experts in their field, to review, vet for accuracy or grounding in scientific evidence, or provide responses to public comments at BOH meetings. Opinions expressed by the public should not necessarily be interpreted as accurate if staff or the Board does not challenge the perspective.
- ITEM 2. Approval of Feb. 9, 2025 Regular Meeting Minutes.
- ITEM 3. Measles Response.
- ITEM 4. Overdose Trends & Opioid Evaluation Highlights.
- ITEM 5. Legislative Update.
- ITEM 6. Director's Report.
- ITEM 7. Old and New Business.
- ITEM 8. Adjournment.
