 - Training on transition-age services and process discussion continued:
 - What is the problem you are trying to solve? What are the key drivers contributing to this problem?

- What data is available? What is it revealing about the problem? Consider what racial inequities or disparities are being surfaced.
- What is the proposed solution to address this problem, and move toward the desired results and outcomes?
- Who benefits from or will be burdened by this proposal? What are the strategies for advancing racial equity and mitigating unintended consequences?
- Whose voices and perspectives informed this proposal? Whose perspectives are we missing?
- How will you ensure accountability, communicate and evaluate results?
