General membership meetings are held the second Tuesday of each month at 7 p.m. Veterans and family members are welcome to visit Post 32, and veterans are welcome to attend a meeting to learn more about how The American Legion continues to serve our community, state, and nation.

American Red Cross Services to the Armed Forces and International Services Department

Email: cowsaf_is@redcross.org

Phone: Hero Care Network 24/7 Line – 877-272-7337

Website: www.redcross.org/about-us/our-work/military-families.html

The Red Cross Service to Armed Forces/International Services (SAF/IS) team helps members of the military, Veterans, and their families prepare for, cope with, and respond to, the challenges of military service. Each year, the Red Cross provides health & wellness services to service members, Veterans, and their families on military installations, military treatment facilities, and VA hospitals by leveraging a network of volunteers. Through their Outreach program, they provide resource and information tables, military community briefings, pre-deployment and post-deployment services, reconnection workshops, and Military Entrance Processing Stations (MEPS) briefings to share how our programs can help. Their casework program provides emergency communication messages, financial aid, and information and referral services for military communities. For unhoused Veterans, the Red Cross has critical community service cases through their Hero Care Network. When a Veteran, service member, or family member calls the Hero Care Network (1-877-272-7337) they are immediately assigned a caseworker and provided with information and referrals through their partnerships with different VAs, nonprofits, and community service organizations in the area. They work with local VAs to support at Homeless Veteran Standdowns by handing out cold weather gear (gloves, handwarmers, coats, blankets, etc.) and providing information about their Hero Care Network and Behavioral Health and Wellness Programming.

TRU Community Care brings critical healthcare resources and compassionate support to Veterans and their families, helping them access the care they deserve. As one of only five healthcare organizations in Colorado recognized as a **Level 5 We Honor Veterans** partner with The Alliance for Care at Home, TRU Community Care is deeply committed to serving those who have served in the military. At TRU, we honor Veterans by educating our staff and volunteers about Veteran-specific needs and by providing comprehensive, compassionate support throughout every stage of their care journey.

The Conversation Project in Boulder County (TCPBC), a program of TRU Community Care, offers advance care planning support, helping ensure every Veteran's voice is heard regarding their future healthcare preferences. A volunteer notary will be available on-site to assist Veterans with important legal documents related to their healthcare wishes or other notary needs.

In addition, representatives from TRU PACE (Program of All-Inclusive Care for the Elderly), Grief Services, and Hospice & Palliative Care programs will share information and answer questions. These programs provide comprehensive medical, emotional, and end-of-life support, helping Veterans and their families access the critical healthcare resources they deserve—with dignity, comfort, and peace of mind.

TRU Community Care looks forward to connecting with Veterans and their families at this important community event to honor their service and support their well-being.

The Veterans Service Office assists veterans, surviving spouses and their dependents in applying for service-connected disability, non-service-connected pension, burial & survival benefits, educational benefits, and health care from the Department of Veterans Affairs. Our Veterans Service Officers and navigators are deeply tied to the military and are dedicated to helping veterans and their families with the process of applying for VA benefits.
