

APPLY FOR

NURTURING FUTURES

Cash Help for Families With Young Kids

In 2027, participating families get \$600 a month. You can spend it on what your family needs most.

Who Can Apply?

To apply, you must:

- Have a child born on or after Nov. 3, 2022 (your child must be under 4 for the whole application window)
- Be 18 or older when you apply
- Live in Boulder County now and for the whole program
- Earn no more than the income limit for your family size (see chart)

Good to Know

- Applying does not guarantee a spot.
- Getting this money may affect benefits like SNAP, TANF, or housing. We can help you understand what it means for your family before you decide.
- The program is open to everyone who qualifies, no matter your immigration status.

Already in Nurturing Futures and reapplying?

The income limit does not apply to you. Apply using the unique application link emailed to you.

Income Limits by Household Size

This chart shows the most your household can earn each year and still qualify. Your household is everyone who lives in your home.

Household Size	Gross Income*
2	\$36,000
3	\$40,500
4	\$45,000
5	\$48,600
6	\$52,200
7	\$55,800
8	\$59,400

*Gross income is your total income before taxes
